

10 Reasons for Membership in the Baton Rouge Amateur Radio Club

1. Attend monthly presentations covering operating techniques, technical updates, DIY projects, DX, and more.
2. Use the pool of experienced Amateurs (Elmers) to help with technical and operating questions.
3. Make new Amateur Radio friends and join in on the many social and technical happenings.
4. Operate the W5KID station from the USS Kidd and talk to people around the globe.
5. Keep up to date on club news with the monthly RF News newsletter.
6. Participate in the annual Field Day operation in June to improve your operating skills.
7. Make use of the many instruments and pieces of equipment on loan from the Club.
8. Support local VHF and UHF club repeaters, and join weekly club nets on 2 and 10 meters.
9. Spend a day or weekend operating as an IOTA (Island on the Air) station from a remote island location.
10. Participate in public service events, such as the Red Cross Communication Team.
