

Radio Loan Program Application

Baton Rouge Amateur Radio Club

Purpose: BRARC's Radio Loan Program is designed to help those who may be new to HF or VHF, by allowing them on-the-air experience before purchasing their own equipment. The Program is also intended for club members may who want to use the radios for portable operation.

Eligibility: The program is open to all current members of BRARC. Due to the limited number of radios, preference will be given to those who are new to operating the HF and VHF bands.

Term: The radio loan period is limited to 90-days.

Cost: The cost for the HF radio is \$20 per loan period, and \$15 for the VHF radio.

Rules: The borrower must operate the equipment at all times in accordance with Part 97 of the FCC regulations and according to their license class. The radio and supplied accessories must be returned to BRARC's representative at the end of the loan period.
